## **MISSION AND VISION**

"A positive learning environment, to exceed expectation and achieve excellence through effort".

The mission of Mother School is to provide students with a developmentally appropriate education which emphasizes high academic and social expectations for all students; the opportunities, resources and environment necessary to be life long learners; the skills and encouragement needed to be productive, responsible citizens in a changing global society, and the support required to develop healthy self concept leading to sound judgment and appropriate, ethical decision making.

A School is primarily concerned with the imparting of knowledge and the development of character. It is our aim and hope that the students who leave The Mother School will leave with a strong character ready and able to stand up for what they know to be good and true; It is our hope and prayer that we may produce such people; people sound in character and having comprehensive mental outlook and self confidence based on sound character and good conduct to face the future.
